Tuesday March 2nd @ 6:30 PM VIA Zoom

The Town of Barnstable has a well-known, and occasionally eccentric, history. There's always something new to learn! Did you know that a Barnstable resident was tarred and feathered? Or that Swift hot dogs got their start here? How about the child prodigy who was writing symphonic compositions at age three? Learn about all of these and more with Nancy Shoemaker and Betsy Wheeler of the Barnstable Historic Society
